<sup>(1)</sup> UCL has the right and can charge and collect a fee for document processing at the start of the lease application. The amount of the fee is fixed and depends on the financed amount for the lease object. The specific amount of the applicable fee for document processing is specified in the offer and in the lease contract

<sup>(2)</sup> The fee is exempt from VAT.

<sup>(3)</sup> The fee includes an administrative service for preparation, notarization and registration of the application form in the CRSP and the respective fees due to the notary and the CRSP.

<sup>(4)</sup> The fee is due for each application for services under item 7

<sup>(5)</sup> The fee includes the legally established fees

#### General provisions

1. The present Tariff shall apply to the activities of UniCredit Leasing EAD.
2. The fees set in the Tariff shall be due in the currency of the leasing contract; the payment may be made in the same currency or in Bulgarian leva according the terms of the leasing contract.
3. The fees and commissions are inclusive of VAT, unless otherwise stated.
4. The fees and commissions provided in the present Tariff shall be valid for all cases where no other arrangements have been made. Separate fees and commissions shall be agreed for any specific services not included in the Tariff.
5. The fees for notary certification of documents are calculated according the Tariff to the Notaries and Notary Activities Act and shall be at the expense of the lessee.
6. All fees will be applied to the leasing contracts, as well as to all other agreements settling relations related to and/or deriving from any signed leasing contracts.
7. The Tariff for legal entities shall apply to all individuals who are not covered by the scope of the Consumer Credit Act.
