The service is available for the following card types:

	Mastercard World Business Debit	10 access
	Mastercard Business Credit	8 access

Access to the lounge is granted upon physical presentation of the card, and the number of accesses is valid for each individual card (separately).

If you use more than one premium card, you get the corresponding number of accesses to each of them.

The business lounges can be accessed free of charge by you and your companions, up to the total number of accesses for the respective calendar year (1 access = valid for 1 client or 1 companion).

After reaching the optimal number of accesses, the service is charged at EUR 30 per person.
