

## INTEREST RATE BULLETIN

### of UniCredit Bulbank AD

### for legal entities and sole proprietors

Effective from 07.05.2007

The last edited version is effective from 01.01.2026

#### I. Interest Rates Conditions

1. The interests, which the Bank accrues and pays to current accounts and term deposits in BGN and foreign currency, are determined and may be updated by virtue of a decision by the Assets and Liabilities Committee of the Bank based on the market interest rates on the domestic and international market and the interest rate policy of UniCredit Bulbank.
  - 1.1. The interest rates are calculated on an annual basis observing the following interest rate conventions:
    - Current and card accounts - 30/360 days
    - Term deposits with a term of one or more than one month - 30/360 days
    - Term deposits with a term of less than one month - 365/365 (366/366) days
  - 1.2 By mutual agreement the Bank can apply interest rate conventions other than those mentioned above.
2. The Bank accrues and pays interests to restricted funds for securing commitments undertaken by the Bank, respectively:
  - where the funds are in the form of a deposit – the interest rate applicable to term deposits in the respective currency is to be accrued;
  - where the funds are not in the form of a deposit – the interest rate applicable to current accounts in the respective currency is to be accrued;

#### II. Term deposits

1. The minimum balance for opening and minimum monthly balance of a term deposit is EUR 1,500 , USD/ GBP/ CHF 3,000.
2. Standard interest rates:
