

List of execution venues (securities and Treasury deals)

**LIST OF EXECUTION VENUES
(Securities and derivatives deals)**

In compliance with the requirements of the national Law for markets in financial instruments (LMFI) and Regulation № 38 of the Commission for Financial Supervision for the requirement towards the activities of the investment intermediaries that are approved in compliance and application of the requirements of the Directive of the European Parliament 2014/65 (MiFID II), EU Delegated Regulation 2017/565, the official Execution policy of each investment intermediary must enlist an information for the places for execution of clients' orders.

For the purposes of the official Execution policy of UniCredit Bulbank AD, the presented below tables should be considered as a pursuance of the stated above regulatory requirement and be considered as an unabolishable part from that policy.

In case that there may be any change of venues, the list will be automatically updated which will not necessarily require an amendment of the Execution policy of UniCredit Bulbank AD. All changes will be brought to the attention of the clients in the most convenient manner.

Table 1 represents the execution venues where UniCredit Bulbank AD is capable and willing to execute clients' orders for deals with securities, whereas Table 2 stands for execution venues where the Bank has the capability of execution of derivative deals.
