XIV.GENERAL PROVISIONS	
§ 1.	The fees and commissions stipulated in the present Tariff are valid unless otherwise arranged. All the rest services not included are subject to additional arrangement.
§ 2.	The fees, commissions and other charges specified in the present Tariff apply to the various banking products and services in foreign currency and Bulgarian Leva. Those items denominated in EUR are also converted in other basic currencies, including the BGN, at the exchange rate quoted by the Bulgarian National Bank of foreign currencies towards BGN valid at the day of execution.
§ 3.	All out-of-pocket and other expenses in Bulgaria and abroad related to the execution of the orders, including those of foreign correspondents, are collected in addition to the items specified in the present Tariff.
§ 4.	Budget organizations and holders of donation accounts bear only the out-of-pocket expenses incurred in Bulgaria and abroad.
§ 5.	The Bank reserves the right to apply additional charges for specific instructions or requirements, leading to extra work, unusual complexity and/or liability.
§ 6.	The Value Added Tax, where applied, is not incorporated in the respective items.
§ 7.	The sole traders are treated as corporates and not as private individuals in the present Tariff.
§ 8.	The Bank collects its charges upon execution of the order or delivery of the service or at the end of the business day. It may, however, effect that on a subscription basis, subject to arrangement.
§ 9.	Regardless of any changes in numbering, the articles in the present Tariff are a substitute for the respective previous ones referred to in outstanding agreements.
§ 10.	The Bank preserves its right to amend the current Tariff with two months preliminary notification to clients.
