

GENERAL TERMS AND CONDITIONS FOR SERVICING PAYMENTS WITH PAYMENT AND PREPAID CARDS AT A POS TERMINAL DEVICE

These General Terms and Conditions for servicing payments with payment and prepaid cards at real and virtual POS terminal devices, hereinafter referred to as General Terms and Conditions, govern the relations between UniCredit Bulbank AD, entered in the Commercial Register with the Registry Agency under UIC 831919536, registered seat and management address: 7 Sveta Nedelya Sq., Vazrazhdane District, city of Sofia, website: www.unicreditbulbank.bg, performing Banking activities under the supervision of the Bulgarian National Bank by virtue of license РД22-2249/16.11.2009, hereinafter referred to as the Bank, and clients of the Bank, hereinafter referred to as Clients: legal entities, sole traders, the persons specified in art. 2 of the Commerce Act and budgetary organizations, arising with the acceptance, processing and servicing, on an account of the Client with the Bank of non-cash payments for goods and/or services offered by the Client with payment and prepaid cards at an electronic (real and/or virtual) POS terminal device.

The General Terms and Conditions are binding for Clients and constitute an integral part of the agreement on servicing payments with payment and prepaid cards at a real POS terminal device as well as the agreement on servicing payments with payment and prepaid cards on the Internet (virtual POS terminal device), also referred to as the POS terminal device agreement, governing the payment relations, rights and obligations of the Bank and Clients.

The Bank has the right to amend and supplement these General Terms and Conditions, notifying Clients at least two months prior to the date on which the amendments enter into force by means of communications in the branches of the Bank as well as publication of the amendments on the website of the Bank – www.unicreditbulbank.bg. Clients shall be bound by the changes in these General Terms and Conditions unless they notify the Bank in writing prior to the date of their entry into force that they do not accept them. In case the Client does not agree with the proposed changes, the former has the right to terminate the POS Terminal Device Agreement before the changes take effect. Clients may receive these General Terms and Conditions upon request on paper at a bank branch.

These General Terms and Conditions were adopted by the Management Board of the Bank by virtue of a decision as per Minutes No. 30 dated 26.06.2013, last updated by virtue of a decision of the Management Board as per Minutes No. 21 dated 28.04.2021, taking effect on 01.07.2021. These General Terms and Conditions are an inherent and integral part of each agreement concluded by the Bank which refers to these General Terms and Conditions. They shall be considered in their integrity as a single document and shall be applied unless otherwise agreed in the relevant agreement.

- 1.14. Disputed payment – a procedure for full or partial reimbursement of a certain amount paid via a card transaction. Such reimbursement is made by the card issuing bank in case of violations which have

taken place upon acceptance of payment or in the event of a fraudulent transaction or at the initiative of the authorized user. The Bank which has processed the Client's payment shall have the possibility to present it again for payment by the authorized card user only if it is proven that there are no omissions in the acceptance payment process, governed by these General Terms and Conditions and the Instructions on the acceptance of payment with payment and prepaid cards.

1.15. An unauthorized transaction or a fraudulent transaction is a transaction intentionally (deliberately) made with a card or card details obtained illegally (a lost, stolen card or a card obtained on the basis of false documents, etc.), a forged or counterfeit card or stolen card details. Such a transaction is made without the knowledge and consent of the authorized card user and without his/her permission, the latter refusing to accept the costs related thereto.

1.16. Account - a current account in Bulgarian lev or Euro, maintained by the Bank in the name of the Client and specified in the respective Agreement for servicing payments with payment and prepaid cards on a real POS terminal device or via Internet (a virtual POS terminal device), signed with the client.

1.16.1. On the specified account the Bank books the accepted payments with payment and prepaid cards on a real and virtual POS terminal device.

1.16.2. Only for a virtual POS terminal device, the currency of the account can be in USD only for the booking of the accepted payments with payment and prepaid cards.

1.16.3. The rights and obligations of the parties in relation to the opening and servicing of the account shall be governed by the General Terms and Conditions of the Bank for opening, servicing and closing of bank accounts of legal entities and sole traders and for the provision of payment services.

1.16.4. The maintenance of the account by the Client is a mandatory requirement for the fulfillment of the obligations of the Bank under the POS terminal agreement and these General Terms and Conditions.

1.16.5. The client shall be obliged to provide funds on the account in order to pay to the Bank all fees, commissions and other charges related to the opening and maintenance of the account, as well as those occurring in relation with processing of disputed payments, in accordance with the signed Agreement, the present General Terms and Conditions and the Tariff for the Fees and Commissions of UniCredit Bulbank AD applicable to legal entities and sole traders.

1.16.6. The Client grants the Bank the right to automatically collect its receivables through direct debit from the account as well as from other accounts held by the Client in case of insufficiency of the funds on it. In case the account is in a currency other than the currency of the Client's liability to the Bank, the latter shall collect its receivable from that account on the basis of the official exchange rate of the Bank on the date of the transaction.

1.17. "Installment purchase" transaction – a transaction where a counterparty of the Client – an authorized user of a payment card issued by the Bank makes an installment purchase by rescheduling the monthly installments at a POS terminal device with the Client, which is provided/served by the Bank. This type of transaction is applicable only to purchases eligible to the Bank with the Bank's approved clients and with the Bank's approved brands and types of payment cards.

2. General provisions

2.1. The Bank is not a party with regard to the legal relations between the Client and its customers related to the Client's business in offering goods and/or services, their quality and/or quantity, terms of delivery/performance, etc.

2.2. The Bank acts as a payment intermediary with regard to non-cash card payments at a POS terminal device (real or virtual).

2.3. The Bank shall provide to the clients with a real and/or virtual POS terminal device an account statement according to the established legal requirements, and also shall prepare specialized POS reports after a submitted request and payment of the relevant fees according to the Tariff for the Fees and Commissions of UniCredit Bulbank AD applicable to legal entities and sole traders.

2.4. The two parties undertake to cooperate with each other in the performance of all activities related to payments with cards, described in item 1.8, within the subject matter of the agreement for a POS terminal device, such as:

2.4.1. In accordance with the regulations the Bank shall book on the account of the Client all payments for goods or services ordered in the Client's favour made with cards, specified in paragraph 1.8. in accordance with the Instructions on the acceptance of payment and prepaid card payments.

2.4.2. By crediting the Client's account, the obligation of the Bank, subject matter of the POS Terminal Device Agreement, is discharged with each payment ordered by using a payment and prepaid card.

2.5. Pursuant to the POS Terminal Device Agreement the Client offers its customers payment by cards specified in paragraph 1.8. in accordance with the requirements for payment processing specified in the Instructions on the acceptance of payment and prepaid card payments and these General Terms and Conditions.

2.6. The Client accepts authorized payments made with the bank cards of Visa, Mastercard, Maestro, Borica AD and other cards pursuant to paragraph 1.8. The Client which takes a decision not to accept all cards or other payment instruments under a given card scheme shall notify users clearly and unambiguously at the time the Client notifies users of the acceptance of other cards and payment instruments under a given card scheme. This information shall be displayed in a prominent place at the entrance of the premises and the cash desk.

2.7. The pricing terms offered by the Bank shall be made known separately by brands of payment and prepaid cards in accordance with paragraph 1.8 and shall apply to all types of cards specified in paragraph 1.10.

2.8. If after the conclusion of the POS Terminal Device Agreement the Bank approves a new brand of payment and prepaid cards which can be accepted as a payment instrument for non-cash payments at a POS terminal device and no annex has been signed with the Client regarding a merchant service fee for the new brand of cards, the Client shall pay the bank a merchant service fee for the new brand of cards specified in the applicable Tariff for the Fees and Commissions of UniCredit Bulbank AD applicable to legal entities and sole traders.

2.9. When carrying out an "Installment purchase" transaction the Client shall inform the authorized user of the card in advance of the terms and conditions on the particular purchase payment deferral. The Client is not a party and shall not be held responsible with respect to the credit relationship between the creditor and the authorized user of the card, related to the installments repayment.

2.10. The Client shall inform the Bank in writing if it does not want to carry out "Installment purchase" transaction via the POS terminal device provided by the Bank.

3. Disputed payments

3.1. In case the Bank has any doubts, upon receipt of information from ICOs or from the authorities of the Ministry of Interior or from other Banks regarding payments made with stolen, counterfeit or unauthorized payment/prepaid cards or such made without the knowledge and/or consent of the authorized card user, the Bank has the right to visit the Client without prior notice and conduct an onsite investigation. The Client shall cooperate and provide the information requested by the Bank concerning the disputed payments.

3.2. In case of a subsequent claim against payment/prepaid card payments, resulting from noncompliance with the Instructions on the operation with payment and prepaid cards or non-fulfillment of the Client's obligations in accordance with these General Terms and Conditions and/or the POS Terminal Device Agreement, the latter shall be liable with its property up to the amount of the claimed amounts immediately due to the Bank as of the date of receipt of the claim.

3.3. In the process of establishing the validity of the grounds for claim, the Bank shall follow the Operational Rules of ICOs, the effective legislation of the Republic of Bulgaria and the information received from the competent state and international institutions, ICO etc.

3.4. Until establishing the validity of the claim and/or the suspected illegal use of payment/prepaid cards, the Bank shall be entitled to block automatically the Client's account for the full amount of each disputed payment.

3.5. When a claim is received, in case the Client is unable to provide documents evidencing the validity of the performed transaction, the participation of the authorized user of the card and his/her agreeing with the terms and conditions of the payment, the Client shall authorize the Bank to refund the respective amount on the card with which the transaction was made. After a refund of the amount by the Bank, the Client shall accept and acknowledge that the Bank has fulfilled a monetary obligation instead of it.

3.6. In case of a reasonable claim under term 3.3 or in case of non-fulfillment of the Client's obligations under these General Terms and Conditions, the agreement for a POS terminal device and the relevant Instructions for acceptance of payments with payment and prepaid cards, the Bank shall debit the automatically blocked account for the amount of the reasonable claim, for which the Client authorizes it by virtue of these General Terms and Conditions. In case of insufficient funds for the purpose of automatic debiting by the Bank, each refund by the Bank shall form a debt for the Client, and such debt is immediately due and payable from the time of its occurrence.

3.7. The Bank shall not be responsible for claims related to the terms of delivery, the quality of the goods and performance of the services provided by the Client in accordance with the responsibilities of the parties set out in the Client's General Terms and Conditions for working with customers as well as in the cases in which the transaction is null and void for any reason whatsoever or the Client has been credited

or has attempted to be credited in relation to a non-existing purchase, has behaved dishonestly or has tried to behave dishonestly with the Bank irrespective of the manner. In such cases the risk and the responsibility shall lie with the Client.

3.8. At the Client's request, the Bank may escalate a specific case concerning a disputed payment to be considered by an independent Arbitration Committee of ICO, where for such purpose the Client has to provide consent and ensure funds in advance on the account serving the POS terminal to cover the amount of the transaction and the respective arbitration fee of ICO.

4. Rights of the Bank

4.1. The Bank has right to conduct periodic inspections of the Client at the business address/seat of POS terminal device installation as well as check the Client's website.

4.2. The Bank has the right to unilaterally set additional requirements or restrictions as regards card payment acceptance by the Client.

4.3. If the Bank has any doubts and/or receives information from ICOs, the Ministry of Interior, State Agency for National Security, other competent state and/or international institutions and/or other banks concerning payments with stolen, counterfeit and/or unlawful payment/prepaid cards, the Bank has the right to block the amounts of the transactions, conduct an unexpected inspection of the Client without prior notice, conduct an on-site investigation as well as automatically block the account to the full amount of these payments. The Client shall cooperate and provide any information requested by the Bank.

4.4. The Bank shall not be liable for any losses of the Client caused by payments ordered at its merchant outlets/website made in violation of or non-compliance with the requirements of the Instructions on the acceptance of payment and prepaid card payments.

4.5. The Bank has the right to extend the period for crediting the Client's account specified in the POS Terminal Device Agreement if an investigation has been initiated by reason of doubts about payments ordered with counterfeit, non-valid and/or unlawful payment/prepaid cards or without the knowledge and/or consent of the authorized user until the lawfulness of the ordered payment is established but not more than 15 (fifteen) working days from the date on which the Bank has received information about the initiation of the investigation. The Bank shall duly inform the Client about the crediting extension period within three days from the date of initiation of the investigation without having to pay any default interest and/or any other indemnity regardless of the outcome of the investigation.

4.6. The Bank has the right to refuse to book an ordered payment under paragraph 4.4 on the Client's account in case of confirmation pursuant to the rules of ICOs or the card issuing bank that this is an illegal payment order made with a counterfeit, non-valid and/or unlawful payment/prepaid card or without the knowledge and/or consent of the authorized card user as well as in case of noncompliance with any of the provisions in these General Terms and Conditions or the Instructions on the acceptance of payment/prepaid card payments on the part of the Client. The Bank shall not assume liability resulting from transactions with a non-valid, counterfeit or an unauthorized card as well as transactions carried out without the knowledge and/or the consent of the authorized card user. The Bank shall inform the Client of any ordered illegal payment within the meaning of this subsection which will not be booked on its account and of the reasons for this within five days of taking a decision.

4.7. If the Bank identifies that the payment ordered with the Client by which its account has been credited has been made with a counterfeit, non-valid and/or unlawful card or in case the card is presented for payment by a person other than the authorized user, the Client, by virtue of these General Terms and Conditions, shall grant the Bank the explicit right to debit its account by reversal of the wrong credit and booking it on the account of the affected party. The risk of payments with counterfeit, non-valid and/or unlawful payment cards as well as in the cases of card payments ordered by a person other than the authorized user shall entirely lie with Client.

4.8. The Client provides its explicit and unconditional consent that the Bank may use any information in electronic, paper or other form received from ICOs, competent state or international institutions, BORICA AD, law enforcement and judiciary bodies in relation to payment card payments via the POS terminal devices it has been provided with as a valid and binding material attesting to the identified violations, as grounds for requesting information or for the recovery of damages suffered by the Bank in relation to the implementation of these General Terms and Conditions.

4.9. In case any bad practices on the part of the Client are reported, the Bank has the right to automatically block the amount of the accepted payment/prepaid card payments on the account of the Client through the POS terminal device provided to the Client for the last 120 days in order to ensure funds for satisfying financial claims of the authorized card users who have suffered damages as a result of such practices.

4.10. The Client shall entirely be liable for the payment of compensation and shall immediately compensate the Bank upon first request and with no right of dispute for any damages suffered by the

Bank to the amount of the sanctions imposed on the Bank by competent state and international institutions and/or ICOs in relation to and/or in case of non-compliance by the Client with the provisions of the POS Terminal Device Agreement and/or these General Terms and Conditions, the Instructions on the acceptance of payment and prepaid card payments and the rules and standards of ICOs therein, and shall also reimburse the Bank the full amount of the costs incurred by the Bank for a mandatory audit carried out by external institutions in relation to the Client's violations, subject to sanctions.

4.11. The Bank has the right to automatically collect from the Client's account pursuant to art. 21 of Ordinance No. 3 of BNB regarding the terms and conditions for execution of payment transactions and use of payment instruments, all costs and damages arising directly or indirectly from the infringement of the POS Terminal Device Agreement, non-compliance with these General Terms and Conditions and the Instructions on the acceptance of payment and prepaid card payments by the Client for which the Client grants its consent.

4.12. The Bank shall perform monitoring on a monthly basis in respect of the Client for making a risk assessment of the merchant. In case the Client is classified as a regulated merchant/a High-Risk Client, the Bank shall have the right to take actions and measures (limiting the possibility to accept payment cards on a POS terminal device, requirement for a financial collateral, unilateral termination of the Agreement in order to mitigate the risk, of which it shall notify the Client).

5. Rights of the Client

5.1. The Client has the right to refuse to accept card payments in case of:

- 1) A non-valid payment card;
- 2) Impossibility to receive confirmation for the execution of the transaction;
- 3) Doubts as to the lawfulness of the transaction;
- 4) Suspicion of a false or counterfeit payment/prepaid card – some of the mandatory security elements on the card are missing – regarding payments at a real POS terminal device;
- 5) Unsuccessful authentication of the authorized card user for payment at a virtual POS terminal device;
- 6) Impossibility for authentication of the authorized card user for payment at a virtual POS terminal device;
- 7) A discrepancy between the signature on the payment card and the signature on the transaction document or the identity document regarding payments at a real POS terminal device in the cases when the receipt printed by the terminal has an authorized user signature field;
- 8) Refusal by the card user to provide a document confirming his/her identity in the cases under item 7 above or when it is identified that an unauthorized person uses the payment card;
- 9) By order of the Bank.

5.2. The Client has the right to receive information concerning the booked and executed card payments on its accounts as well as information for previous periods regarding all payments made at its merchant outlets/on its website.

5.3. The Client has the right to create the design of the visual message that the card user sees after receiving authorization and after rejection of the transaction respectively when making a card payment at a virtual POS terminal device.

5.4. The Client has the right to perform an automatic check about the status of a transaction on a virtual POS terminal device through the interface for access on the Client's website to the accepting and payment server of "BORICA" AD or through an additional manual check of a transaction through the provided web-based application for remote access to the system of "BORICA" AD.

6. Termination of the Agreement on servicing payments effected by payment and prepaid cards at a POS terminal device

1. The Agreement may be terminated:

- a) By mutual consent of the parties, provided that each party has fulfilled its respective obligations;
- b) By the Client by giving a month's written notice to the Bank, provided that there is no violation of the clauses of the agreement and there are no unsettled claims or other disputes between the parties. The agreement shall be terminated upon expiry of the notice period, but only if the Client has repaid all amounts due and payable to the Bank in relation to and/or on occasion of the fulfillment of the agreement;
- c) By the Bank by giving two months' notice to the Client;
- d) In case of breach of any of the provisions of the agreement or these General Terms and Conditions by the Client, the Bank may unilaterally terminate the agreement by a notice with immediate effect from its date, which is sent to the Client, and the latter undertaking to indemnify the Bank for its incurred damages within the specified time period;

- e) In the event of receiving a report for an activity which is illegal, unlawful, fraudulent, derogatory to the reputation of the Bank and/or the international card organizations as well as upon accepting of card payments for goods and/or services other than those listed in the agreement, the Bank shall have the right to terminate the agreement immediately;
 - f) By termination of the agreement for the account used for booking the payments made via the POS terminal device;
 - g) In case the Client does not agree with amendments to these General Terms and Conditions and/or the Tariff of the Bank for the Fees and Commissions applicable to legal entities and sole traders proposed by the Bank, it shall have the right to terminate the agreement before the changes take effect.
2. The beginning of the notice period shall be the date of its delivery to the respective party to the agreement. The notice shall be considered delivered to the Client if it has been sent to the last address specified by the Client, irrespective of the delivery receipt.
 3. In case of termination of the agreement the Bank shall make the due payments under this agreement in favor of the Client which have arisen before its termination.
 4. Any financial liabilities and relations which have remained outstanding after the termination of the effect of the agreement shall be resolved in accordance with its provisions until their final settlement.
 5. Upon termination of the agreement, the Client shall return the POS terminal device immediately, sign an Acceptance Statement and remove any distinctive signs for acceptance of card payments from its outlet. In case this obligation is not fulfilled, the Bank shall be entitled to claim its rights in court procedure and to collect automatically the value of the POS terminal device booked under the Bank's fixed tangible assets, taking into account the depreciation rate for the period of operation, on a payment account of the Client opened with the Bank, pursuant to Art.21 of Ordinance No.3 of BNB on the Terms and Procedure for Opening Payment Accounts, Executing Payment Transactions and Using Payment Instruments, for which the Client grants its consent.

- 3) Receive authorization in real time by the payment/prepaid card issuing bank for each transaction and shall not divide the transaction amount in order to carry out the transaction without authorization;
- 4) Shall not divide the amount of a purchase into portions in order to avoid restrictions imposed by the Bank or the payment/prepaid card issuing Bank;
- 5) Shall not repay old liabilities of the authorized user by carrying out transactions with the payment card but only payments of goods and services currently present at the time of the transaction;
- 6) When processing a payment card using the terminal device it shall comply strictly with the order of the actions as described in the Instructions on the acceptance of payments with payment and prepaid cards;
- 7) Put in all efforts to withhold unlawfully used cards and take the necessary measures in this regard in accordance with the Instructions on the acceptance of payments with payment and prepaid cards.

2.10. The Client cannot disclose to third parties the names and payment/prepaid card numbers of the authorized user of an electronic payment instrument which have come to its knowledge in relation to the implementation of the POS Terminal Device Agreement and these General Terms and Conditions.

2.11. The Client cannot change the data on the receipts/forms of processed payments with payment/prepaid cards after the authorized user of the payment/prepaid card has received a copy of the receipt/the form.

2.12. The Client shall duly notify the Bank no later than 7 days before:

- 1) Change of data about the Client entered in the Commercial Register with the Registry Agency or BULSTAT Register;
- 2) Change in the ownership of the capital or the Client's representative;
- 3) Change in the location of the merchant outlet/premises.

In the cases under paragraph 2.12, subsection 12 the Bank has the right at its own discretion to terminate the POS Terminal Device Agreement by giving two months' prior notice.

2.13. The Client cannot accept payments with payment/prepaid cards in favour of other merchants.

2.14. The Client cannot execute payments at its own merchant outlets with cards issued in the Client's name.

2.15. The Client cannot accept payments with payment/prepaid cards for goods and/or services other than those defined as per the subject matter of the POS Terminal Device Agreement.

2.16. When the Client accepts payments with debit/prepaid and credit cards issued by banks with a seat within the European Union and the European Economic Area, it shall not charge additional fees and commissions to the price of the goods at the moment of purchase irrespective of the selected method of payment – by card.

2.17. The Client can pick-up a payment card on behalf of the issuer in case of:

- 1) A non-valid payment card;
- 2) Notification of a lost or stolen payment card;
- 3) A discrepancy between the signature on the payment card and the signature on the receipt printed by the POS terminal device when it has an authorized user signature field;
- 4) Use of the payment card by an unauthorized person;
- 5) In case of receipt of an order by the issuer to withhold the respective payment card;
- 6) By order of the Bank.

2.18. The Client shall cooperate on the installation of a POS terminal device and cannot change its location without the knowledge and the consent of the Bank.

2.19. The Client shall comply with the technical requirements for the operation of the electronic POS terminal device and inform the Bank immediately of any technical malfunctions.

2.20. The Client shall maintain the POS terminal device with due care and after the termination of the POS Terminal Device Agreement shall return it to the Bank in a good condition, taking into account the usual depreciation for the utilization period.

2.21. All costs for repair of the POS terminal device incurred as a result of incorrect operation or negligent maintenance or in case of theft shall be borne by the Client. The amount of damages is determined by the Bank according to the value of the equipment reported as fixed tangible assets of the Bank, taking into account the depreciation rate for the period of operation.

2.22. Communication costs related to the operation of the electronic POS terminal device shall be borne by the Client.

2.23. The Client shall provide consumables on its own in a timely manner as well as all conditions necessary for the usual uninterrupted functioning of the POS terminal device devices.

2.24. At the request of the Bank the Client shall provide any information directly or indirectly related to payment and payment card payments.

2.25. If the Client fails to comply with any of the above mentioned obligations, it shall take the risk and the responsibility for the payment transactions and the Bank is relieved of the responsibility to credit the Client's account with the unauthorized or unduly conducted transaction.

2.26. The Client shall keep the receipts of the accepted payments made with payment cards specified in paragraph 1.8. for a period of 13 (thirteen) months as of the date of the payment.

Section III. SPECIAL TERMS AND CONDITIONS FOR THE ACCEPTANCE OF CARD-NOTPRESENT PAYMENTS AT A REAL POS TERMINAL DEVICE (MAIL ORDER)

1. General provisions

1.1. This section outlines the relationship between the Bank and the Client arising out of the acceptance of card-not-present payments at a real POS terminal device by using the KEY ENTRY functionality of a real POS terminal device.

1.2. The Bank may provide the Client with the opportunity to make payments in its favour by entering card data using the POS terminal device keyboard (KEY ENTRY functionality) which have been provided to the Client by the authorized user and for which it has received the user's written consent in connection with specific sale and purchase of goods/services or payments of penalties, or additional expenses related to such purchases and sales.

1.3. The Client confirms to the Bank that it is aware of and accepts unconditionally to observe the rules and standards of ICOs concerning card-not-present payments with bank cards specified in paragraph 1.8. in these General Terms and Conditions and the Instructions, and declares that it shall not make any card payments damaging the trademark and the reputation of ICOs, assuming full responsibility for that.

1.4. The Client unconditionally and irrevocably shall take all risks related to the acceptance of cardnot-present payments at its own expense as well as any losses related thereto, including those imposed on the Bank as a result of the acceptance of such payments by the Client which include but are not limited to sanctions by ICOs and other competent institutions.

1.5. The Bank is not a party to the legal relations between the Client and its customers concerning the Client's activities for sale of goods and services, their quality and/or delivered quantity, the terms for delivery/completion, the conditions for the reimbursement of amounts to customers, guarantee terms, conditions for payment of indemnities and additions to the initially agreed and paid price, etc.

2. Rights and obligations of the Bank

2.1. The Bank approves the Client for the service and shall activate real POS terminal device KEY ENTRY functionality.

2.2. The Bank shall provide the Client with the applicable Instructions on the acceptance of card-notpresent payments which is an Appendix to the Instructions on the acceptance of payments with payment and prepaid cards at a real POS terminal device so that the Client may become familiar with and observe them.

2.3. The Bank has the right to block on the Client's account the amounts of card-not-present payments, duly booked on that account if the Bank receives claims from card issuing banks with which such payments have been made according to which those payments were groundless or not due and payable, fully or partially, pursuant to the terms and conditions of the purchase/sale or the provision of the service by the Client to its customer, or the Client's customer has not given his/her consent for these to be paid with his/her card.

2.4. The Bank has the right to block on the Client's account the amounts of claims received from card issuing banks concerning reimbursements which have not been received by the users, fully or partially, in connection with previous card payments at the Client's merchant outlet, due and payable in accordance with the what has been agreed between the Client and the buyer or in accordance with a commitment undertaken by the Client.

2.5. The Bank has the right to keep the amounts mentioned in the preceding paragraphs 2.3 and 2.4 blocked on the account of the Client until claim settlement but no longer than 24 months from the Bank receiving the claims.

2.6. The Bank has the right to block, temporarily until clarification of the circumstances or definitively and finally, the acceptance of card-not-present payments at the real POS terminal device provided to the Client by notifying the latter in writing of its decision, of the period of such blocking and of the reasons resulting in such measure, in the following cases:

- 1) In case unlawful payments have been reported;
- 2) In case of an on-going internal bank investigation concerning the lawfulness of an accepted payment;
- 3) In case of claims showing faults in the observance of the terms and conditions of the sale/purchase or the provision of the service, etc. agreed with the buyers;
- 4) In case of claims showing unjustified payment without the customer having been informed about that and without his/her prior written consent for any penalties, additional charges, etc. on his/her card;
- 5) In case of claims showing the Client's failure to fulfill commitments for timely reimbursement of amounts regarding previous card payments;

- 6) In case of any doubt or reports on any unlawful use and/or provision to third parties, excluding the Bank, of card information received when this type of payment is made as well as personal information about clients, protected by Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
- 7) In each case of non-compliance with the requirements of the POS Terminal Device Agreement, these General Terms and Conditions and the Instructions thereto;
- 8) In case it is reported by ICOs that the levels of fraud or disputed payments at the outlets of the Client, as reported by card issuing banks, go beyond the standard levels determined by card organizations considering the turnover and number of transactions of that Client.

2.7. The Bank shall duly inform the Client of any actions taken against the latter as per the preceding paragraphs 2.3, 2.4, 2.5 and 2.6, as well as of the settlement of any claims for the release of blocked amounts or for withholding those amounts from the Client's account as well as of the release of the KEY ENTRY functionality or its permanent blocking.

3. Rights and Obligations of the Client

3.1. The Client has the right to make in its own favour card-not-present payments only if it has the preliminary, explicit and unconditional consent of the authorized user in line with the General Terms and Conditions applicable to the goods and/or services provided by the Client.

3.2. The Client exercises its right under paragraph 3.1. exclusively at its own risk and responsibility, taking at its own expense all losses related to the card-not-present payments made in its favour, including those imposed on the Bank as a result of the acceptance of such payments, including, among others, sanctions from ICOs and other competent institutions.

3.3. The Client shall draw up its own template for making card-not-present payments, applicable to the specific goods/services that are to be paid in this manner. The template shall be sent to the authorized user by mail/fax/e-mail so that the latter can fill in all mandatory fields and sign it.

3.4. The card-not-present payment template shall contain mandatory information about the specific subject of activity of the Client, the offered goods/services, the organizational specificities of the activity of the Client and its customer policy and shall comply with such payment requirements, as specified in the Appendices to the Instructions on the acceptance of payments with payment and prepaid cards which have been provided to it by the Bank.

3.5. Before initiating a transaction for receiving any card-not-present payment, the Client shall obtain the template signed by the authorized user with all details duly filled in. The lack of such template duly filled in by the authorized user or the lack of the authorized user's signature on it renders each debiting of a card with such transactions illegal and shall absolutely be at the risk and responsibility of the Client.

3.6. The Client shall observe strictly the requirements for the sale/service laid down in the applicable Appendices to the Instruction on the Acceptance of payments with payment and prepaid cards related to the particular type of activity of the Client – sale of goods/services through a written order; card-guaranteed hotel bookings; advance payment hotel bookings; card-guaranteed car rental bookings.

3.7. The Client has the right to collect penalties for violation of the terms and conditions of the booking by the customer or additional expenses/adjustments in connection with hotel accommodation or car rental only if the customers have agreed in advance in writing that they owe these amounts and only with regard to the cards whose numbers they have provided for meeting these liabilities. This right of the Client is valid only in case of hotel and car rental services.

3.8. The Client has the right to collect additional expenses/adjustments from the cards of its customers within a period no longer than 90 days from the date of payment of the hotel/car rental service.

3.9. The Client has the right to collect additional expenses/adjustments from the cards of its customers only for the following cases:

- Hotel accommodation expenses;
- Food and drink expenses;
- Taxes;
- Fuel for the rented vehicle;
- Insurances;
- Damages to the rented vehicle;
- Fines/official statements for improper parking and violations of road traffic rules.

3.10. Obligations of the Client in connection with the deduction of additional amounts (Delayed or Amended charges) in a card-not-present environment after the customer has checked out of the place of accommodation/has returned the rented vehicle:

3.10.1. Hotels:

3.10.1.1. The Client shall inform the authorized user upon his/her registration to use the hotel services that all expenses related to his/her stay that are not invoiced and paid upon check-out from the hotel will subsequently be deducted from his/her card.

3.10.1.2. The Client shall obtain the authorized user's written consent for the deduction of additional amounts before making payments of such amounts in its own favour through a card-not-present transaction.

3.10.1.3. The Client shall issue and send an invoice to the authorized user for the additional expenses/adjustments charged and deducted from his/her card along with a copy of the POS receipt for the transaction.

3.10.1.4. The Client shall assume full responsibility for transactions disputed by the authorized users in relation to the deduction of additional expenses/adjustments from their cards.

3.10.2. Rent-a-car companies:

3.10.2.1. The Client shall include the clauses for deduction of additional expenses/adjustments in its car rental contracts.

3.10.2.2. The Client shall obtain the authorized user's written consent for the deduction of the expenses under paragraph 3.9 through the signature of the authorized user on the car rental contract on each page where the deduction of additional expenses/adjustments is specified/mentioned;

3.10.2.3. The Client shall obtain the authorized user's written consent for the deduction of additional expenses/adjustments through the signature of the latter on the document drawn up upon the return of the vehicle to the company after use of the car rental services. In this case, the authorized user shall append his/her signature near the description of the due additional amounts which will be deducted from his/her card in the future.

3.10.2.4. Prior to the deduction of the additional expenses/adjustments the Client shall have obtained the following relevant documents:

3.10.2.4.1. Expenses related to the fines/official statements for improper parking or other violations of road traffic rules – a ticket/an official statement issued by an authorized state body;

3.10.2.4.2. Expenses related to the identified damages to the rented vehicle:

- A valid document certifying the damage and proving the customer's responsibility for the damage – in accordance with the legislation effective in the Republic of Bulgaria;
- Evaluation of the damage by a licensed appraiser;
- Insurance policy describing the responsibility for damages and the insurance coverage for such cases.

3.10.2.5. The Client shall inform the authorized card user in writing with acknowledgment of receipt of the latter of the notification about the forthcoming deduction of additional expenses/adjustments within 10 days from the date of returning the vehicle in accordance with the duly prepared documents upon return of the car. The notification shall contain at least the following details:

- Description of the damage;
- Evaluation of the damage;
- The currency in which the additional costs related to the damage will be deducted from the card.

3.10.2.6. The Client shall not pay the additional expenses using the customer's card for a period of 20 days after the date of receipt of the notification under paragraph 3.10.2.5, as indicated in the acknowledgment of receipt.

3.10.2.7. The Client shall put in all efforts to resolve the disputes with the authorized user with regard to the additional expenses/adjustments through a procedure not involving the bank.

3.10.2.8. The Client shall assume full responsibility for transactions disputed by the authorized users in connection with the deduction of additional expenses/adjustments from their cards intended to cover damages.

Section IV. SPECIAL TERMS AND CONDITIONS FOR THE CASHBACK SERVICE AT A REAL POS TERMINAL DEVICE

1. Rights and obligations of the Bank

1.1. The Bank shall provide the Client with the opportunity to offer to its customers the CASHBACK service through the POS terminal device/s installed in its merchant outlets and for this purpose it shall install at its own expense an additional application on the respective POS terminal device/s, which renders the provision of the service technically feasible.

1.2. The Bank shall not deduct a fee from the cash paid to the authorized user of the card by the Client as part of the CASHBACK service.

1.3. The Bank shall provide the Client, and the Client hereby accepts, distinctive signs showing clearly that the merchant outlet offers the CASHBACK service.

1.4. Before executing the Client's order for reimbursement of an amount to a card in connection with paragraph 2.8. below, the Bank shall check whether a claim for the same payment has already been received from the card-issuing bank and satisfied through a bank transfer.

2. Rights and Obligations of the Client

2.1. The Client shall provide the authorized users of cards as described in paragraph Section I, 1.8. with the opportunity to purchase goods/services with CASHBACK at the POS terminal devices installed in its merchant outlets. The amount paid in cash cannot exceed Bulgarian Lev 50 (fifty leva) per transaction.

2.2. The amount of each CASHBACK transaction is the sum total of the price of the goods/services purchased at the outlet of the Client and the amount of the cash paid by the Client to the authorized user of the card at the time of the sale. The amounts of the two parts of the transaction are shown on separate lines on the receipt printed by the POS terminal device. The authorized user of the card enters the PIN code only once in case of cards with a chip, or signs the POS receipt in case of a payment with a card without a chip, providing his/her absolute and irrevocable order for simultaneous payment for the goods/services and for receiving the cash amount at the cash desk at the Client's outlet.

2.3. The Client shall not be allowed to deny the CASHBACK service, regardless of the amount of the goods/services paid with the card of the authorized user.

2.4. In case of reimbursement of amounts to customers with regard to previous card payments under the conditions of the CASHBACK service, the Client has the right to reimburse through the POS terminal device only the entire amount of the payment, including the amount of the purchased goods/services and the paid cash (CASHBACK), only through a credit operation on the same cards with which the goods/services were paid initially.

2.5. The Client has the right to reimburse, using the POS terminal device, the amounts of previous card payments to customers under the conditions of the CASHBACK service only in the following cases:

- A card payment executed under the conditions of the CASHBACK service, which was performed successfully but for technical reasons the Client did not know that and the goods were paid by the customer in another way (cash, with another card, etc.);
- A card payment executed under the conditions of the CASHBACK service, which was performed successfully but for technical reasons the Client did not know that and the goods were not received or paid by the customer in any other way;
- The Client has found that a particular payment was made twice using the same card of the customer for one CASHBACK service.

2.6. The Client shall have the right to reimburse the amounts under the conditions of paragraph 2.5 above, only in the presence of the authorized user of the card and the card in the merchant outlet.

2.7. In the case of a satisfied claim received by the Client in the outlets where it performs its business activity, concerning the quality and/or the quantity of the delivered goods paid under the conditions of the CASHBACK service, which requires reimbursement of that part of the payment which corresponds to the cost of these goods, the Client shall submit to the Bank a written request for refund of the amount as per template pursuant to the Instructions on the acceptance of payments with bank cards at a real POS terminal device, submitting the order form together with the documents related to the satisfied claim.

2.8. The Client explicitly represents and warrants to the Bank that it is aware of and accepts unconditionally the applicable rules and standards of the ICOs for the CASHBACK service reflected in these General Terms and Conditions.

Section V. SPECIAL TERMS AND CONDITIONS FOR THE CONTACTLESS PAYMENTS SERVICE AT A REAL POS TERMINAL DEVICE

1. Rights and obligations of the Bank

1.1. The Bank shall provide the Client with the opportunity to offer the Contactless Payments service to its customers through installation of contactless POS terminal device(s) and/or contactless reader/PIN pad device(s) in its merchant outlets/premises, and for this purpose will install, at its own expense, the relevant contactless POS terminal device(s) and/or contactless reader/PIN pad device(s). The technical aspects of the service are dealt with by the Bank after the approval of the Client for the service.

1.2. The Bank shall provide the Client with a sticker with distinctive signs, showing clearly that the Contactless Payments service is available at the merchant outlet/premises of the Client.

1.3. The Bank shall provide the Client with the applicable Instructions on the acceptance of payments with payment and prepaid cards at a real POS terminal device, so that the Client may become familiar with them and observe them.

2. Rights and Obligations of the Client

2.1. The Client undertakes to provide to the authorized users of cards with the logo of payWave (Visa, Visa Electron, V PAY), PayPass (Mastercard, Maestro) and other card brands approved by the Bank for contactless payment, as well as to authorized users with a mobile device with a Near Field Communication (NFC) functionality, on which there is a digital wallet installed with an added/digitized bank card, the possibility to purchase goods/services by a contactless payment on the contactless terminal(s) and/or contactless readers/PIN pad devices installed at its merchant outlet(s)/premises. The authorized user of the card does not have to enter a PIN code when using the service "Contactless payments" up to a specified country limit set by ICO and the Bank.

2.2. The Client shall place the distinctive signs of the 'Contactless Payments' service, provided to it by the Bank, in the outlet(s)/premises where it carries out its business activity.

2.3. The Client explicitly represents and warrants to the Bank that it is aware of and accepts unconditionally the applicable rules and standards of the ICOs for the Contactless Payments service which are reflected in these General Terms and Conditions.

2.4. The Client shall become familiar with and observe the Instructions on the acceptance of payments with payment and prepaid cards at a real POS terminal device.

Section VI. SPECIAL TERMS AND CONDITIONS FOR A VIRTUAL POS TERMINAL DEVICE

1. Obligations of the Bank

1.1. In view of the performing of the Client's business activity, the Bank shall provide the Client with the possibility to accept payments with Visa, Mastercard, Maestro payment cards and with cards bearing the logo of BORICA AD at a virtual POS terminal device without the physical presence of the payment/prepaid card and with the possibility for inclusion in the authentication schemes Visa Secure, Mastercard Identity Check and secure code of BORICA AD for payments on the Internet.

1.2. The Bank gives the Client the right to use the commercial symbols of the brands of cards, which are approved for payment at the POS terminals provided by the Bank to the Client.

1.3. The Bank shall transfer onto an account of the Client the amounts of the payments made with payment/prepaid cards pursuant to the terms and conditions and procedure stipulated in the POS Terminal Device Agreement, these General Terms and Conditions and the Instructions on the acceptance of payments with payment and prepaid cards on the Internet.

1.4. The Bank shall provide the Client, upon request of the latter, with information on the payments accepted on its websites during previous periods.

1.5. The Bank shall provide the Client with the technical documentation of BORICA AD on the development of a module for online payments with payment and prepaid cards in the authentication scheme of ICO - Visa Secure, Mastercard Identity Check and secure code of BORICA AD, which are to allow secure communication with the acceptance and payment server of BORICA AD within 3 (three) business days following the signing of the POS Terminal Device Agreement.

1.6. The Bank shall provide the Client with Instructions on acceptance of payments with cards on the Internet, containing the applicable rules and standards of ICO.

1.7. The Bank shall timely update the Instructions on acceptance of payments with payment and prepaid cards on the Internet in accordance with the amendment of the rules, requirements and technology of servicing by Visa and Mastercard, and BORICA AD, and in case of legislative and regulatory changes in the country and/or the European Union, concerning the subject matter of the POS Terminal Device Agreement, and shall inform the Client in writing.

1.8. The Bank shall promptly inform the Client in the event of change by the ICO or in case of legislative, or respectively regulatory changes imposing changes in the technical, security and other requirements, which entail changes in the information published on the Client's website. The Bank shall inform the Client in writing of the occurred changes within a period of two months prior to their taking effect.

1.9. The Bank shall notify the Client of:

- 1) Each received disputed payment, accepted under the procedure defined in the POS Terminal Device Agreement and the present General Terms and Conditions, the reasons for disputing, as well as the subsequent development of the case;
- 2) Each transaction in any of its outlets which is processed as per the procedure in the POS Terminal Device Agreement and these General Terms and Conditions and which is declared by

the Bank issuing the payment/prepaid card with which the transaction was carried out to be a case of misuse;

- 3) Each report of violations in the processing of transactions with payment/prepaid cards pursuant to the terms and conditions and procedure stipulated in the POS Terminal Device Agreement, these General Terms and Conditions and the Instructions on the acceptance of payments with payment and prepaid cards on the Internet;
- 4) Each report of violations in the processing of transactions pursuant to the provisions of the POS Terminal Device Agreement, these General Terms and Conditions and the Instructions through the virtual terminal provided to the Client by competent state and/or international institutions and/or the ICOs.

1.10. The Bank shall fulfil its obligations in a timely and correct manner as specified in the present agreement.

2. Obligations of the Client

2.1. The Client shall provide reliable controls for acceptance of payments through the virtual POS terminal device on the Internet so as not to allow transactions that do not correspond to the purposes of the POS Terminal Device Agreement and these General Terms and Conditions, do not fall within the scope of its field of application and/or such that are derogatory to the prestige and reputation of the Bank, Visa, Mastercard and BORICA AD.

2.2. The Client shall offer to its customers payment with payment cards Visa, Mastercard, Maestro and cards bearing the logo of BORICA AD, by displaying the trade signs of Visa and Mastercard and BORICA AD on a visible part of its website and by strictly adhering to the applicable rules and standards of ICO.

2.3. The Client cannot request and/or use the number or any other data of the payment/prepaid cards for purposes other than those specified in the POS Terminal Device Agreement and these General Terms and Conditions.

2.4. The Client shall:

- 1) To use the signs Visa Secure, Mastercard Identity Check and the secret code of "BORICA" for the issued cards under the brand Bcard, only if the website of the Client from which the e-commerce is performed is included in the 3-D Secure scheme and corresponds to specific pre-defined technical and security requirements that the Bank provides to the Client.
- 2) Not use the trade signs of Visa, Mastercard and BORICA AD in a way that may be associated with guaranteeing the quality/quantity of the offered goods and services.
- 3) Not use the trade signs of Visa, Mastercard and BORICA AD in its electronic or other forms, or advertising materials.

2.5. The Client shall be obliged not to store or distribute the numbers of payment/prepaid cards and CVV2/CVC2 information, of which it has become aware as a result of the performed activity subject of the POS Terminal Device Agreement. In case of any doubts about unauthorized access to information stored by the Clients, regarding numbers of cards and/or other card information, the latter shall inform the Bank immediately.

2.6. The Client shall make the necessary adjustments in the software of its website for making payments with payment/prepaid cards through the Internet in the scheme for authentication of ICOs Visa Secure, Mastercard Identity Check and secure code of BORICA AD, so as to enable secure communication with the acceptance and payment server of BORICA AD.

2.7. The Client shall complete the technical development specified in the preceding paragraph 2.6 within 6 (six) months as of the sending of the technical documentation of BORICA AD by the Bank to the Client and shall inform the Bank that it is ready to carry out test transactions before commissioning of the virtual POS terminal device for real card payments.

2.8. All expenses for making the necessary adjustments in the software of the Client's website for payments with payment/prepaid cards through the Internet in the authentication scheme Visa Secure, Mastercard Identity Check and BORICA AD secure code that enable secure communication with the acceptance and payment server of BORICA AD, shall be borne entirely by the Client.

2.9. The Client shall keep at a safe place, which excludes any possibility for unauthorized access, the private keys and certificates signed by BORICA AD, as well as the certificate of BORICA AD. In case of any doubts about unauthorized access to the above information, the Client shall inform the Bank and BORICA AD, immediately after becoming aware of the incident.

2.10. At the request of the Bank, the Client shall provide any necessary information directly or indirectly related to processed payments with payment/prepaid cards at the virtual POS terminal device provided to it.

- 2.11. The Client shall indicate unambiguously on its website what kind of payment/prepaid cards are accepted for payments, as well as the security level of the accepted payments with payment/prepaid cards.
- 2.12. The Client shall provide its customers with access to the following information via its website:
- 1) Company of the Client, accepting payments with payment/prepaid cards through the website;
 - 2) BULSTAT/UIC and/or registration under Value Added Tax Act of the person under item 1, if such is available;
 - 3) License, registration regime, membership in an organization if the Client's business activity is subject to licensing and/or registration regime;
 - 4) Commercial name under which the Client carries out the business activity, if different from its company;
 - 5) Registered seat and management address of the Client as well as mailing address of the Client, if different from its management address;
 - 6) Valid means of communication with the authorized user of the card with regard to customer inquiries – telephone number, e-mail address, etc.
- 2.13. The Client shall provide on its website in a manner that is clear and accessible for its customers its Confidentiality, Personal Data Protection and Commercial Secrecy Policy, with regard to information of which it has become aware as a result of transactions carried out via the virtual POS terminal device as well as receive the explicit consent of the authorized user of the card if it intends to provide such information to third parties and/or to use their personal data for other purposes – marketing research etc.
- 2.14. The Client is directly responsible for all payments accepted on its website and made with invalid, lost, stolen, etc. card information and/or presented by persons that are not the authorized users of the cards or are not authorized by them to make the respective payment. Such payments shall be considered to have been made entirely for the account, risk and responsibility of the Client. The Client shall ensure that the Bank will not be involved in its relations with the authorized users of the cards, incl. in any disputes in relation to and/or on occasion of transactions unauthorized by them. In the case of claims and disputes unsettled by the Client in due time, the Client shall indemnify the Bank fully for all expenses incurred by the latter in relation to the settlement of claims or disputes brought by the authorized users of cards to the Bank.
- 2.15. The Client shall store the information about the order made by the authorized user of the card in accordance with the Instructions on acceptance of payments with payment and prepaid cards on the Internet for at least 13 (thirteen) months as of the date of the transaction.
- 2.16. The Client shall indicate clearly and unambiguously the type, the main characteristics and the unit price of the goods and/or services offered by it through electronic commerce, the payments for which are allowed as per the subject matter of the POS Terminal Device Agreement. It shall also inform the authorized users of cards in advance if those prices include any taxes, fees, postal and transport charges for delivery and other expenses, which form the end price of the order.
- 2.17. The Client shall publish on its website comprehensive General Terms and Conditions of dealing with and servicing customers, in line with the Instructions on acceptance of payments with payment and prepaid cards on the Internet, which clearly and unambiguously set out its policy for cancellation of an order made by an authorized user of a card for services/goods, the responsibilities of the parties in case of non-compliance with the terms and conditions for payment of the order, as well as the amount of the penalty charges due by the parties if they fail to fulfill their obligations and the order of collection of such penalty charges.
- 2.18. The Client shall receive in an explicit and unconditional way the consent of the authorized user of the card that the latter is acquainted with and accepts the Client's General Terms and Conditions of dealing with and servicing customers and payment for an order (for instance, by means of a button or a website link for consent confirmation) prior to and as a prerequisite for acceptance for processing of the authorized user's payment for the order.
- 2.19. The Client cannot accept payments with payment/prepaid cards for goods and/or services other than those defined as per the subject matter of the POS Terminal Device Agreement.
- 2.20. 2.21. In performing its business activities of offering and sale of goods/services via the provided virtual POS terminal device, the Client shall not to allow any fictitious purchases, money laundering and terrorism financing, fraud or attempted fraud against the Bank in any way whatsoever. In the cases listed above the risk and responsibility shall be borne directly and to the full amount by the Client.

2.22. The Client shall reimburse the amounts paid by the authorized user of the card if the ordered goods and/or services have not been provided or if the provided goods/services are of bad quality or do not comply with General Terms and Conditions for the purchase.

2.23. The Client shall reimburse, partially or fully, amounts to authorized user of the card paid in relation to and/or on occasion of previous purchase/s of goods/services offered by the Client, which the authorized user of the card paid with card, as well as when such reimbursement of amounts is provided for in the General Terms and Conditions of the Client, published on its website. Such reimbursement shall be made only through a credit operation on the same card which was used for the original payment of the goods/services. For that purpose the Client shall send a structured message to the Bank in accordance with the Instructions on Acceptance of Payments with Payment and Prepaid Cards on the Internet or submit to the Bank a written request for reimbursement of the amount as per a template.

2.24. The Client shall not to repay any previous liabilities of the authorized user of the card through payments with a payment card, but only such that are due for goods and services present at the time of the transaction.

2.25. The Client shall inform the Bank not later than 7 (seven) days before the effective date of:

- 1) Changes of data about the Client entered in the Commercial Register with the Registry Agency or BULSTAT Register;
- 2) Change in the ownership of the capital or the Client's representative;
- 3) Change in the registered subject of activity of the Client, the manner of carrying out its business activity, as well as in case of change or adding new products to the product range and expanding the scope of the goods/services offered by the Client on its website, outside the scope of the agreement;
- 4) Change in the electronic address of its website – website name.

2.26. The Client shall not accept payments with payment/prepaid cards in favor of other merchants via the provided virtual POS terminal device and/or its website.

2.27. The Client shall not execute payments through its own website with payment cards issued in the Client's name.

2.28. The Client shall not charge any additional fees and commissions to the prices of the goods at the time of purchase depending on the way of payment.

2.29. If the Client fails to comply with any of the above mentioned obligations, it shall take the risk and the responsibility for the payment transactions and the Bank is relieved of the responsibility to credit the Client's account with the unauthorized or unduly conducted transaction.

2.30. The Client is obliged to observe the rules of the ICOs, BORICA AD and other issuers of brands of cards approved by the Bank.

Section VIA. FEES AND COMMISSIONS

1. The Client shall pay the Bank fees and commissions for servicing the payments made by payment and prepaid cards on a POS terminal device as per the POS terminal device agreement, these General Terms and Conditions and the Tariff for the fees and commissions of UniCredit Bulbank AD applicable to legal entities and sole traders.

Section VII. DISPUTE RESOLUTION

Any disputes arising as a result of the execution, interpretation or effect of these General Terms and Conditions and the POS Terminal Device Agreement shall be resolved through negotiations and in case no agreement is reached - by the competent Bulgarian court. In case the Bank does not give its opinion on the Client's claim within the term defined by the law, or if the Customer is not satisfied with the decision, the dispute may be referred for examination to the Conciliation Commission on Payment Disputes, too. Conciliation Commission on Payment Disputes with the Consumer Protection Commission is an authority for alternative resolving of domestic and cross-border disputes between payment services providers and payment services users in relation to the implementation of the Payment Services and Payment Systems Act, the regulations on its implementation, Regulation (EC) No 924/2009, Regulation (EU) No 260/2012 and of Regulation (EU) 2015/751. The reconciliation procedure starts with submission of an application to the commission. The application shall be submitted in a written form as well as via e-mail or online through the website of the Consumer Protection Commission. The requirements to the application under the preceding sentence, the terms and way for the institution and termination of the reconciliation procedure and for examination and resolving of disputes falling within the competence of the Commission as well as the maximum cash threshold of the disputes shall be defined by Rules for implementation approved by the Governor of the Bulgarian National Bank (BNB). The Rules for implementation shall be published in the State Gazette. The Conciliation Commission on Payment Disputes shall provide the payment service user with information regarding the procedure for conducting a reconciliation procedure, upon request and on a durable medium. The procedure conducted by the Commission is not an obligatory condition for filing a claim to the court. Additional information about the Conciliation Commission on Payment Disputes is available on the website of the Consumer Protection Commission as well as in Chapter ten, Section II of the Payment Services and Payment Systems Act.

Section VIII. SPECIAL TERMS AND CONDITIONS FOR PARTICIPATION IN THE "PLUS" PROGRAM OF UniCredit Bulbank AD FOR CLIENTS ACCEPTING PAYMENTS AT A REAL POS TERMINAL DEVICE

The PLUS Program of UniCredit Bulbank AD, hereinafter referred to as "the Program", is a program for mutual partnership between the Bank and the Clients, aimed at increasing the turnover of the Clients and simultaneously promoting the activity of the Bank. Participants in the Program are Clients that have concluded Partnership Agreement with the Bank under predefined terms and conditions, as well as authorized users of an active debit, credit, main or additional payment card issued by UniCredit Bulbank AD to individuals (hereinafter referred to as "cardholders").

3.6. The cardholder loses his/her rights on those of the points accumulated on his/her customer number that are not used during the period under paragraph 3.5;

3.7. The Cardholder's Points not used during the term under paragraph 3.5 shall be transferred to the Prize Pool of the Program.

4. Reporting

4.1. The Bank provides the Client with a statement of account concerning the Cardholder's Points provided by the Client and utilized at an outlet of the Client, pursuant to the provisions and procedure stipulated in the General Terms and Conditions of the Bank for opening and maintaining of bank accounts and for providing of payment services;

4.2. If the Client uses the Bulbank Online service, it may receive statements in a form determined by the Bank.

5. Disputed payments

5.1. When, under any circumstances, a reasonable doubt arises that a payment was made in favor of the Client by a person who is not an authorized cardholder of the card or that the payment was made with a forged card or in another unlawful manner, which results in a right for the respective cardholder to claim refund of the unjustly paid amount, the Bank has the right to block the Account of the Client up to the amount of the made payment and the Bulgarian Lev equivalent of the points given for the respective payment, for a period of up to 120 (one hundred and twenty) days. If until expiry of the mentioned period the payment is not disputed by the authorized user of the card, the Bank shall release the blocked amount;

5.2. In case an authorized user of the card disputes a card payment made at his/her expense and in favor of the Client through the Issuing Bank, pointing as grounds the fact that the payment was not made by him/her, was made with a forged card, the goods were not received or the service was not provided or other circumstances giving right to the cardholder to claim refund of the groundlessly paid amount (chargeback), the Bank, if it finds the claim reasonable, shall reverse the amount of the disputed payment and the Bulgarian Lev equivalence of the points, in accordance with the terms and conditions of the campaign that is active as at the time, calculated for the respective payment, from the Account of the Client.

6. Advertising and advertising materials

6.1. The Bank provides the Client with advertising materials for participation in the Program. All advertising materials provided by the Bank shall be used or spread by the Client solely in the way indicated by the Bank, and the Client undertakes to not spread or provide for spreading to third parties the received advertising materials in any way, either against payment or against receipt of another direct benefit for itself or for third parties;

6.2. The content, type and nature of the used advertising materials shall be determined by the Bank, according to its internal policy for protection of the trademark and the corporate design of the company;

6.3. The Client cannot use in its activity comparative advertisements which juxtapose the Program of the Bank with similar programs of other banks or merchants. The Bank controls and explicitly determines the way of use of the trademark and/or the trade name of the Program and the Client shall request a written permission for each case of their use;

6.4. Upon termination of the Partnership Agreement, the Client shall be obliged to remove all distinctive signs and advertising materials for participation in the Program provided to it by the Bank;

6.5. The Bank shall create, maintain and periodically update information about the Program on the website of the Bank and/or in any means of information and advertisement of the Bank. Each Client included in the Program shall be given the opportunity, under terms and conditions and in a form determined by the Bank, to provide its own logo, website, addresses of merchant outlets and contacts for publication. The Bank shall examine and shape the information provided by the Client under the preceding paragraph in accordance with its internal policies. It has the right to change or refuse to publish inappropriate information that may lead to a reputation risk for the Bank, on its website and/or in any other means for communication and advertising.

7. Program Lottery

Every year, in the form of a Lottery, the Bank shall redistribute the points accumulated in the Program Prize Pool. The lottery is held in the presence of a notary public among the cardholders participating in the Program with payment cards issued by UniCredit Bulbank AD to individuals. The Lottery is held annually during the first quarter of the respective year under such terms and conditions as specified additionally on the Bank's website – www.unicreditbulbank.bg, where the cardholders will be informed in due time about each Lottery.

8. Termination of the Program

The termination of the Programme shall be announced on the Bank's website – www.unicreditbulbank.bg, by giving a one-month prior notice, with a twelve-month period in which the cardholders shall be entitled to use the points available under their client number in the Partner Network of the Programme. In the twelve-month period, the Clients shall not provide Cardholder Points. After the expiry of the twelve-month period, the unused points available in the Point Storage Pool are cashed to the cardholders for their cash equivalent of BGN 0.01 = 1 point, and a lottery is held for the available points in the Prize Pool under terms and conditions, additionally specified on the Bank's website – www.unicreditbulbank.bg, where the cardholders will be notified in a timely manner.
